

SARRC Points Waiver

This form is to be used by any driver who is entered in a South Atlanta Road Race Series (SARRC) Regional race and wishes to waive points for the event. By properly completing this form, the driver agrees he is waiving his finishing position and all points for the race. The results for the race will show that a waiver was filed. All drivers finishing in a lower position will be moved up.

The applicable SARRC rule is:

7.6

A driver may waive points for any SARRC race except the SIC. The driver must notify the Chief of Tech in writing and execute an impound waiver request prior to qualifying for the SARRC race. This waiver must be approved by the event Chief Steward or his designate. An impound waiver relieves the driver of post race impound and waives a finishing position and all SARRC points.

1. This waiver must be completed by the driver prior to qualifying and signed by the Chief of Tech or designate.
2. Tech will file this waiver with the Chief Steward or his designate for approval.
3. The Chief Steward will deliver this waiver to T & S and be responsible for insuring that results properly reflect the waiver.
4. A copy of the waiver will be retained by T & S for later verification.
